Introduction

Ruth Chapter 3 presents a pivotal moment in the story of Ruth and Boaz, highlighting themes of trust, courage, and divine providence. This chapter focuses on Ruth's bold initiative under Naomi's guidance to secure her future through Boaz, the kinsman-redeemer. It reveals cultural customs and personal character traits that drive the narrative forward and set the stage for redemption and restoration.

Context

The Book of Ruth is set during the time of the Judges, a period marked by social instability and moral challenges in Israel. Ruth, a Moabite widow, has committed herself to Naomi, her Israelite mother-in-law, and to the God of Israel. After gleaning in Boaz's field in Chapter 2, Ruth and Naomi devise a plan to secure Ruth's future by appealing to Boaz's role as a kinsman-redeemer. This chapter takes place at the threshing floor, a significant location symbolizing harvest and provision, where Ruth approaches Boaz in a culturally appropriate yet courageous manner.

Outline

The chapter begins with Naomi instructing Ruth on how to approach Boaz during the night at the threshing floor. Ruth follows Naomi's advice, lies at Boaz's feet, and waits for his response. Boaz awakens, is surprised but pleased by Ruth's request, and reassures her of his willingness to act as her redeemer if a closer relative declines. The chapter concludes with Boaz sending Ruth away with gifts and a promise to resolve the matter promptly, leaving the story poised for resolution.

Verses 1–3: Naomi instructs Ruth to wash, anoint herself, and dress in her best clothes before going to the threshing floor. This preparation symbolizes respect and seriousness. Naomi’s advice to uncover Boaz’s feet and lie down is a culturally nuanced way of requesting protection and redemption.

Verses 4–7: Ruth follows Naomi’s instructions and waits for Boaz to fall asleep. Boaz’s initial surprise turns to admiration when he understands Ruth’s intentions. His recognition of her loyalty and virtue is evident in his response.

Verses 8–13: Boaz explains the legal process involving a closer kinsman-redeemer who has the first right to redeem Ruth. He promises to act if that person declines. Boaz’s honorable character and commitment to the law and to Ruth’s welfare are highlighted here.

Verses 14–18: Ruth departs with Boaz’s blessing and gifts, returning to Naomi with hope. Naomi’s response reflects joy and confidence in Boaz’s role as redeemer, setting anticipation for the story’s resolution.
